شركة صالحو للتجارة والمقاولات  
SALCO TRADING & CONTRACTING COMPANY

# طالكو SALCO

**SALCO Trading & Contracting Company** is a leading local company in plumbing and sanitary solutions with over 50 years of industry experience. Durable and excellent quality products and supplies at competitive prices have underscored all **SALCO** transactions, whether big or small, since the 1970s.

We have formed longstanding relationships within Qatar's government sector and across the local business community. This is to the credit of our team and our strength as a national, specialist supplier of plumbing, bathroom, heating products in addition to copper tubes and fittings.

Customer satisfaction is an unshakable value at **SALCO**, and we look forward to expanding our client relationships and partnerships to include your business.

Throughout the entire buying process, from initial query through to delivery and aftersales care, our team ensure that our stringent quality assurance processes are applied, while providing excellent customer care.

# SALCO

## Our Mission

To provide innovative, customized, and high quality plumbing solutions to meet Qatar's evolving government and private sector needs.

## Our Vision

To become the fastest growing trading company in the field of plumbing, sanitary wares, and water solutions materials in the State of Qatar.

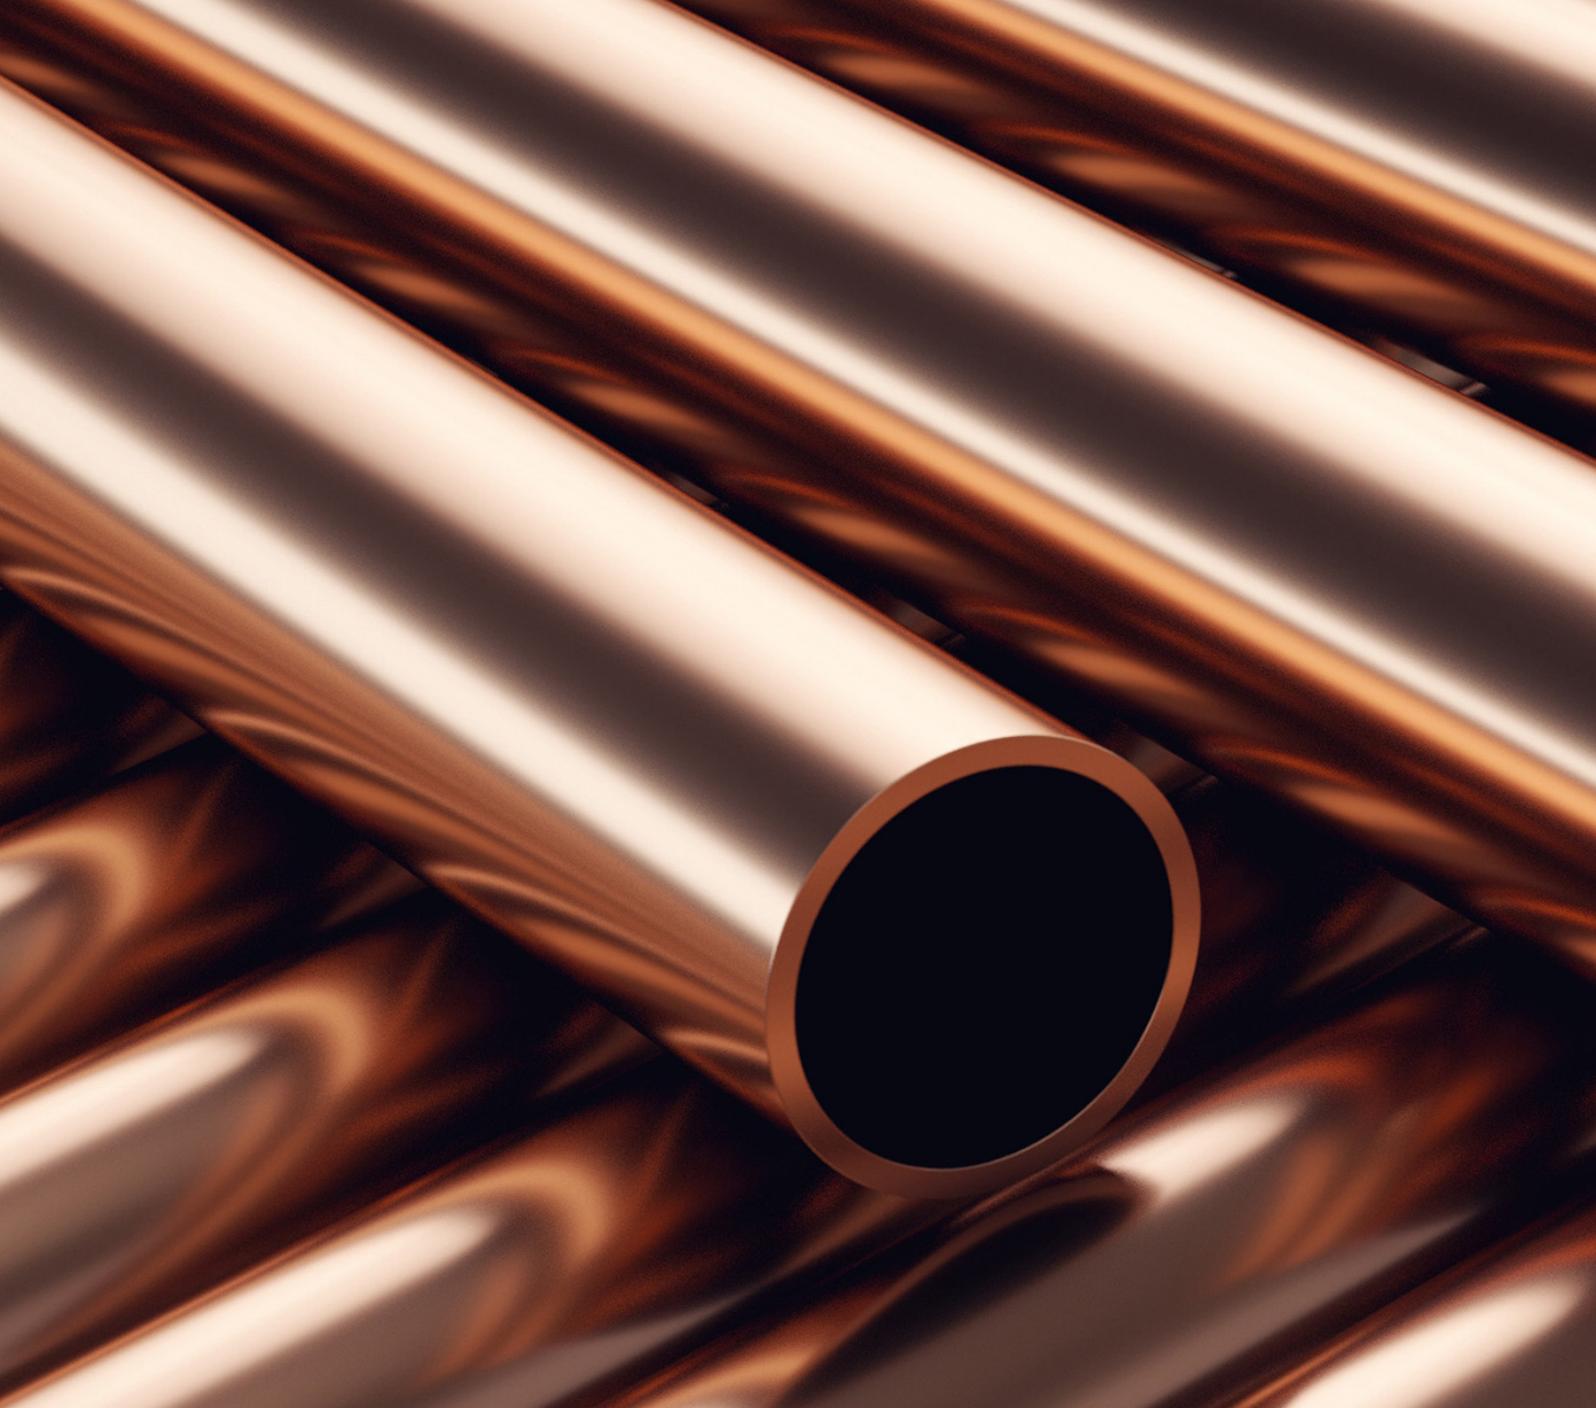

## Major Client Projects:

SALCO is deeply rooted in the local business landscape. We have worked on various large-scale and long-term contracts with many private companies and government entities including Ashghal, Kahramaa, Qatar Rail and Hamad International Airport. We are also a key supplier for projects in military bases across Qatar.

## What Makes SALCO the Premier Choice in Qatar?

- On-time planning and delivery of top-tier products and services.
- Competitive pricing while maintaining stringent quality standards.
- Exceptional customer service and flexibility.

## We Provide Unmatched Quality

SALCO has attained a quality certification (**ISO 9001:2015**) attested by the International Accreditation Forum (IAF) due to our unwavering commitment to quality and the careful selection of our plumbing supplies and other products from internationally reputed brands.

Those well-acquainted with our industry will surely recognize the quality of the products we supply, and the notability of the international brands that supply our products.
